Simple Colouring Game

INTRODUCTION

For ages 4+ this activity adds a little challenge to colouring in. It encourages the child to be more creative and have a little more fun with a simple activity.

WHAT WE NEED

- Paper
- Colouring Pens/Pencils/Crayons
- A bowl or container

WHAT TO DO

Either you or the child draws the outline of a picture onto paper, this could be a letter or number, an object or a person, anything you wish.

Put all the pens/pencils/crayons into a bowl or container, have the child close their eyes and pull out 3 colours.

Fill in the picture using only the 3 colours that have been chosen. For an extra challenge you can set a time limit.
