

FUN PAINTING 4

Creative group activities

INTRODUCTION

This is part four of our fun painting activities for children.

WHAT WE NEED

Puffy Paint:

- Plain flour, water, salt, food colouring or paint, and squeeze bottles.

WHAT TO DO

Mix 1 cup of plain flour, 1 cup of water and 1 cup of salt to a paste. Then, divide the mixture and colour with food colouring or paint. Place this coloured mixture into separate squeeze bottles. Pipe directly from the bottle onto thick paper or card to produce a 2D effect which dries hard overnight.
