

# FUN PAINTING 3

## Creative group activities

### INTRODUCTION

This is part three of our fun painting activities for children.

### WHAT WE NEED

#### Bubble Painting:

- Plastic pots or drinking cups, plastic drinking straws, washing up liquid, powder or ready mix paint, water, and paper.

### WHAT TO DO

Mix about 2-4 tsp of paint, with 1 tsp of washing up liquid in a plastic cup and stir in water until the cup is about half full. Repeat this using different colours. Then, blow bubbles in the mixture using a straw until the bubbles rise over the cup. Place the paper on top of the bubbles to form a bubble print. Remove the paper and continue the process using different colours.
