

BIRD FEEDER

Easy Autumn Craft

INTRODUCTION

Making this craft helps improve fine motor skills in toddlers and young children. This helps children perform important tasks like feeding themselves, grasping toys, buttoning and zipping clothes, writing, drawing, and more.

WHAT WE NEED

- Cheerios
- Pipe Cleaners
- String

WHAT TO DO

- Pour the cheerios into a bowl
- Start threading the cheerios on to the pipe cleaner
- Tie a piece of string onto the end
- Hang up outside for the birds to eat
