

# STONE PAINTING

## Creativity in Nature

### INTRODUCTION

A great creative play activity for children of all ages to encourage color and pattern recognition.

While out on a walk, let the children pick some favorite stones that they can paint. These are great for decorating the garden or on a windowsill.

### WHAT WE NEED

- Stones
- Paint and brushes or sponges
- A tray
- Optional: googly eyes

### WHAT TO DO

- Collect stones
- Paint stones
- Add any additional features such as eyes
