

# FUN PAINTING 3

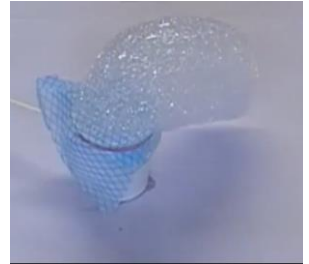

## Bubble Art

### INTRODUCTION

Part three of our fun painting activities for children. This activity uses bubbles to create unique artwork.

### WHAT WE NEED

- Plastic pots or drinking cups
- Drinking straws
- Washing up liquid
- Paint, water and paper

### WHAT TO DO

Mix about 2-4 tsp of paint, with 1 tsp of washing up liquid in a plastic cup and stir in water until the cup is about half full. Repeat this using different colours.

Blow bubbles in the mixture using a straw until the bubbles rise over the cup. Place the paper on top of the bubbles to form a bubble print.

Remove the paper and continue the process using different colours.
