

# RECYCLING COLLAGE

## Creativity & Sustainability

### INTRODUCTION

Making creative artwork using any materials you can find lying around.

### WHAT WE NEED

- Wall/Wrapping paper, Aluminium foil/Bubble wrap
- Boxes, cartons, paper cups, plastic plates, plastic bottles and tops, lids
- Carpet and fabric cut outs, old clothing, sheets, ribbons
- Wool, string, elastic, buttons, cotton reels, old jewellery, corks
- Lolly sticks, feathers, shells

### WHAT TO DO

Using PVA glue, materials of all kinds can be stuck together, and onto paper and card.

Try combining materials with images from old magazines and cards.

Create scrap books with different themes such as colour, pattern, texture and shape.
