

## Regular Bubble Mix

- \* Pour 1/2 cup of washing up liquid into a bowl
- \* Add 1 1/2 cups of water & 2tsp of sugar
- \* Gently stir your mixture

Store the mixture in a water tight container or recycle an old bubble container by refilling it with your homemade bubble solution.

## Bubble Wand Ideas

### Paper cup

Punch a hole in the bottom of the cup  
Dip the large open end into the solution and blow through the hole

### Recycled soft drink bottle

Cut the bottom off a plastic bottle and dip in the mixture.  
Use the lid end of the bottle to blow your bubbles.

### Pipe cleaners

Create just about any shape you like from a pipe cleaner and keep a small section as a handle.

### Plastic funnel

Use the large end to dip and the small end to blow through.  
Have fun!
